

# LEGACY FASTPITCH 16U (A) TRYOUTS!

Legacy Fastpitch softball is based in the Columbia area out of Fundamentals Sports Academy. Legacy Fastpitch is adding a new high school/16A team and is looking for players for the high school season and for the fall and spring/summer seasons. We will play high school age tournaments in the Kansas area during the high school season with high school age players who are not playing high school softball. The high school age players' commitment is only for the high school season as it is understood that those players may wish to return to their regular competitive teams after the high school season or may need to move to an 18U team. After the high school season, the players staying with the 16A team, and players joining after the high school season, will play 2 to 3 tournaments in the fall and then 9 to 12 tournaments in the spring/summer.

We are looking for dedicated players who want to compete at a high level. The team will play local tournaments but will also travel in Missouri and, to a lesser extent, outside of Missouri. The schedule will include at least one exposure tournament.

Legacy Fastpitch will have experienced coaches who use the iScore App for detailed stats and to broadcast play-by-play action to family and friends who cannot attend games. Additionally, Coach's Eye App will be used for player development. Go Pro video will also be available for game review. College players and a college coach will provide assistance and/or clinics.

Practices will heavily emphasize live pitching/hitting and game situations. Indoor practices will be at Fundamental Sports Academy, which includes an infield area and pitching and hitting cages. It is anticipated that hitters will get a variety of hitting experiences off of a variety of pitchers. The live pitching/hitting will also be of benefit to pitchers who want to pitch "live" and who will be able to work on pitches and pitch sequences. In addition to team practices, there will be some small group and individual practices. Team fees will include player memberships to Fundamentals Sports Academy. Player memberships allow players to have key card access to the Fundamental Sports Academy facility.

Although the team is a competitive team, coaches will be supportive and seek to develop individual players, in addition to the team as a whole. There will be fun times such as player competitions and team bonding activities. Players will be expected to be supportive of teammates.

Tryouts will be held Saturday, July 23, 2016, 9:00-11:00am, and Sunday, July 31, 2016, 3:30-5:30 pm, at the Ashland Optimist Club Field, 511 Optimist Drive, Ashland, MO. Players should arrive 15 minutes early for completion of forms. For additional information, or to arrange an individual tryout, contact Scott Lewis at 573-864-8492, or email [midmosb@outlook.com](mailto:midmosb@outlook.com).
