**RESOLUTION**

RS 2011-33  
Sponsored by Councilman Scrivner

**A RESOLUTION OF THE CITY OF JEFFERSON, MISSOURI  
ADOPTING A LIVABLE STREETS POLICY**

**WHEREAS**, the City of Jefferson is committed to providing a safe, comfortable, efficient, and connected transportation network for all users; and

**WHEREAS**, everyone is a pedestrian, but youth, older citizens, and citizens with disabilities often rely on non-motorized modes, transit, and mobility aids to meet basic transportation needs; and

**WHEREAS**, the City desires to promote public health by encouraging walking and bicycling as part of active living; and

**WHEREAS**, the City desires to promote not only *quality of life* for residents, but *quality of place* for tourists and visitors to the Capital City, irrespective of mode of travel, realizing that all will benefit from complete or "livable" streets; and

**WHEREAS**, the City previously adopted the *Jefferson City Sidewalk Plan*, which recognizes the contribution of sidewalks to the transportation network.

**NOW, THEREFORE, BE IT RESOLVED** by the Council of the City of Jefferson, Missouri, as follows:

**Section 1. Title**  
This policy shall be known as the "Livable Streets Policy."

**Section 2. Purpose.**  
The Livable Streets Policy sets forth guiding principles and practices to be considered in transportation projects, so as to encourage walking, bicycling, and transit use while promoting safe use and operations for all users.

**Section 3. Definitions.**  
**Livable Street** – means a transportation corridor for all users including pedestrians, bicyclists, transit riders, cars, trucks, motorcycles, and buses. "Livable Streets" are designed and operated to safely facilitate movement of
