

PROUDLY INTRODUCES

LEGACY FASTPITCH SOFTBALL!

Legacy Fastpitch is off the ground and running and we are currently looking to expand! We are based out of Fundamentals Sports Academy in Columbia Missouri. We currently have 2 teams started and we are ready for more! But to expand, we are in need of passion driven leaders! With that being said, we are looking for coaches!

We are looking for coaches for the following age groups and competition levels:

10U A, B or C
12U A, B or C
14U A or C
16U B or C
18U A, B or C

Our program is focused on fundamentally based softball with an emphasis on providing the opportunity for players at ALL SKILL LEVELS a team to grow with and develop the required skills to move to the next level of competition. We are a competitive organization but we fully recognize that players all have to start somewhere so we are striving to meet players exactly where they are and help them grow into the softball players that they desire to become.

If you have the desire to coach youth softball and a passion to help players develop their skills in a positive uplifting environment please give us a call!

OR if you are an already formed team that is looking for a place to call home, we would love to talk to you about that opportunity as well!

If you are interested please contact Heather Fowler at 660-238-6055 or hsells03@gmail.com
