Subject The City of Jefferson offers winter sidewalk care reminder

Jefferson City, Mo. – The City of Jefferson requests property owners and residents remove snow and accumulations of ice from public sidewalks adjacent to their properties as soon as practical to aid pedestrian movement. Please deposit shoveled snow or ice away from pedestrian and vehicle travelways, including sidewalks, streets, alleyways and bus stops. Not only is it the neighborly thing to do, it is a civic and legal responsibility under the City's code of ordinances.

If a fire hydrant is adjacent to your property, please ensure that it remains uncovered by snow.

Your cooperation is appreciated. For more information please contact the Department of Planning and Protective Services at 573-634-6410 or by email at icplanning@jeffcitymo.org. Visit the City's webpage for additional information at www.jeffcitymo.org.
