

kidsfest

Jefferson City Parks and Recreation, in cooperation with Downtown Jefferson City and KRCG is once again planning Kidsfest. This year's Kidsfest will be Saturday, June 4 from 10 am to 2 pm in beautiful downtown Jefferson City.

Kidsfest is a fun-filled day dedicated to children and their families. This area-wide event brings thousands of families together for an exciting day of fun. Young children through 'tweens will enjoy games, demonstrations, and activities **all free of charge**, and we have no doubt this will be the biggest Kidsfest yet.

This year for Kidsfest we are strongly encouraging participants to create an interactive activity for the kids to enjoy at the booths. To become part of this year's event, please email, fax or mail-in the enclosed Participation Form.

If you have any questions regarding this year's event, please do not hesitate to call me at (573) 634-6487 or email me at pstiles@jeffcitymo.org.

Thank you for your consideration and we hope to see you at Kidsfest, 2016!

Sincerely,

Phil Stiles
