Individuals determined to be eligible will be issued a City of Jefferson Certificate of Eligibility for ADA Paratransit Service. This certificate includes a client identification number and condition(s) of eligibility.

VISITORS TO THE CITY

Visitors to Jefferson City with disabilities may use the Handi-Wheels service on a temporary basis (up to 21 days of service) without completing the City's application process for determination of disability. Visitors wishing to use the City's paratransit service should provide documentation of eligibility of the jurisdiction in which they reside, or documentation of place of residence and of his/her disability if not apparent.

PERSONAL CARE ATTENDANT AND COMPANIONS

A personal care attendant is a person traveling as an aide to facilitate travel by a person with a disability.

One personal care attendant may accompany an eligible Handi-Wheels rider. The need for a personal care attendant is determined in the application process.

The driver provides assistance getting on and off the bus and with securement of wheelchairs. These facts should be taken into consideration in determining if a personal care attendant will accompany a client.

IMPORTANT HANDI-WHEELS INFORMATION

- **Where Handi-Wheels goes**
Handi-Wheels provide service to and from any location within the city limits of Jefferson City. The Handi-Wheels bus operates on all city streets and public parking lots that can be safely negotiated.

- **When Handi-Wheels operates**
Handi-Wheels operates year round, Monday through Friday from 7:00 a.m. to 5:30 p.m. except the days on which the following holidays are observed: New Year's Day, Martin Luther King's Birthday, Truman's Birthday, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day, the Friday after Thanksgiving Day, and Christmas Day.

- **Scheduling a Handi-Wheels trip**

To schedule a Handi-Wheels trip, individuals should call the Handi-Wheels dispatch office at 634-6477 during office hours, 8:00 a.m. to 4:30 p.m. a minimum of the day before the service is needed. **Clients are encouraged to make their requests as early as possible in order to get the most convenient time.** Clients may schedule up to 14 days prior to date of transportation but no later than the day before service. Other than return trips, same day requests for Hand-Wheels service can only be made in an emergency and will be provided as capacity allows.

Requesting service up to 14 days prior to the date transportation is needed and scheduling all trips by calling on operating days during office hours allows the best scheduling results for all clients.

If the day previous to the desired service dates falls on a day the Transit Division offices are closed, the request will be taken by voice mail.

The following information must be provided for each trip requested: client name, client identification number, service date, pickup street address, destination street address, and the desired destination arrival time. In some cases, it may be necessary for the dispatcher to negotiate destination arrival time up to one hour of the time requested. Pickup time will normally be scheduled a minimum of thirty minutes before the required destination arrival time.

If the service request is being left on voice mail, pickup time will normally be thirty minutes before the desired destination arrival time.

- **When to be ready.**

Be ready early. Clients should be ready and watching for the Handi-Wheels bus at least five (5) minutes early to avoid delay. The driver will not wait more than five (5) minutes past the scheduled pickup time.

- **Missed Trips**

A Missed Trip (No-Show) is when a Handi-Wheels bus is dispatched to a location to pick up a passenger and the passenger does not show for the ride. Also, a trip missed because a client was not ready by five (5) minutes after the scheduled pickup time is also considered to be a missed trip. (Please refer to the No-Show/Late Cancellation Policy).

- **Canceling a scheduled trip**

Cancellations should be made no less than one hour before the scheduled pickup time. Cancellation calls made other than during normal 8 to 5 hours will be taken by voice mail. When canceling a Handi-Wheels trip, the following information must be provided: client name, client identification number, service date and pickup time. Clients calling less than one hour before scheduled pickup time will be assessed for a Late Cancellation. (Please refer to the No-Show/Late Cancellation Policy).

One companion may accompany an eligible Handi-Wheels rider. If a personal care attendant is used, one companion in addition to the personal care attendant can ride. Additional companions will be taken on a space available basis only. Personal care attendants and companions must have the same origin and destination as the eligible Handi-Wheels rider.

Subscription Service

Individuals determined to be eligible for regular Handi-Wheels service can apply for subscription service in accordance with ADA Guidelines.

Subscription service provides repetitive trips over an extended period of time without requiring that individuals call to request each trip. A trip must be repeated (on the same day and same time) at least once each week to meet the City's subscription service definition.

The applicant will be notified in writing of his/her approval or denial of a subscription service request. Subscription service will be provided on the day(s), at the location(s) and time(s) in the approved application only. Any changes in the day, time, or location, will require a new application. The same "missed trip" and "cancellation" definitions, policy and penalties also apply to subscription service.

Subscription service may be discontinued to an individual for a pattern of missed trips or late cancellations. Being removed from the subscription service will not prevent an eligible individual from scheduling and using the regular Handi-Wheels service.

The fare for regular Handi-Wheels service and subscription service is \$2.00 per trip for the eligible Handi-Wheels clients and \$2.00 for each companion. A personal care attendant will not be charged a fare. The need for a personal care attendant is determined in the eligibility process.
