- Other: _____

Describe the means that the contributor uses to make sure that hauled wastes are non-hazardous as defined by the Resource Conservation and Recovery Act (RCRA).

Section E: Certification

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision and the information submitted is, to the best of my knowledge and belief, true, accurate, and complete.

I understand, agree, and fully comprehend that no discharge of hauled wastewater may be introduced into the City of Jefferson’s wastewater collection system via manholes, cleanouts, building sewers, drain lines, or any other appurtenance tributary to the City wastewater collection and/or treatment system.

I agree to abide by all City ordinances, as well as by all applicable Federal, State, and Local regulations. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

I acknowledge that the discharge of hazardous waste, as defined by RCRA standards, is strictly forbidden and will result in penalties and loss of the discharge permit.
